

CMMC Provider Response Questionnaire

Last reviewed: August 2026

PROVIDER COMPLETES THIS

We're requesting a quote for CMMC assessment or preparation services. Please respond to the questions below and return this document along with your proposal. Our organization's scope and requirements are described in the attached RFP Cover Sheet.

Questions

1. **Authorization status.** Are you a C3PAO, RPO, or both? Please provide your Cyber AB Marketplace reference so we can verify independently.
.....
2. **Methodology.** What is your assessment structure (readiness review, mock assessment, formal assessment)?
.....
3. **Relevant experience.** What is your team's experience with organizations of similar size and CUI environment to ours?
.....
4. **Delivery mode.** Is the engagement conducted remotely, on-site, or hybrid, and who determines this?
.....
5. **Timeline.** What is your estimated time from contract signing to completion, and what factors could extend it?
.....
6. **Pricing.** What is included in your quoted price, and what is billed separately (e.g., remediation support, re-assessment, travel)?
.....
7. **References.** Can you provide references from prior clients we may contact?
.....
8. **Deficiency path.** If a control is found deficient during assessment, do you offer a path to remediate and re-assess within scope?
.....
9. **Our obligations.** What staff time, documentation, and system access does your engagement require from us?
.....
10. **Post-certification.** Is there any ongoing support, monitoring, or renewal process after certification is issued?
.....
